

Mag. Eva Gungel

Mag. Eva Gungel ima dvajsetletne delovne izkušnje v gospodarstvu, krajše obdobje se nanaša na industrijo, pretežni del pa na finančno panogo. V zadnjem desetletju kot preizkušena notranja revizorka zaznava tudi pomen odnosov med zaposlenimi, zavzetosti zaposlenih, kariernih poti in vodenja za doseganje ciljev organizacije. To zanimanje je botrovalo tudi izbiri teme magistrskega dela. Magistrirala je na Ekonomski fakulteti v Ljubljani, na smeri poslovanje in organizacija, na temo analize življenjskih zgodb razvoja vodij.

Eva Gungel, MSc, has twenty years of experience in the economic sector, a short period refers to the industry and the majority of it to the financial sector. In the last decade as a certified internal auditor she has recognized the importance of relationships between employees, employee engagement, career paths and leadership to achieve the goals of the organization. This interest influenced the choice of topic for her master's degree which she obtained at the Faculty of Economics in Ljubljana, in the field of management and organization, focusing on biographical analysis of the leaders' development.
