GRADUATES ACADEMIC TRAINING EXPERIENCE

CALL FOR APPLICATIONS 2018

SCUOLA
NORMALE
SUPERIORE

AN OPPORTUNITY TO TEST YOUR RESEARCH SKILLS

If you are thinking about your future job and you are not completely sure about what it could be, you might be happy to have a try in the academic research world.

If you are really motivated, Erasmus Traineeship can act as a springboard for your career in academia!

The Scuola Normale Superiore (SNS), a research-oriented higher education institution with an international approach, is the ideal place to find a stimulating atmosphere and excellent laboratories.

Once selected, GATE Trainees will be welcomed by research groups in which academics, researchers and students work together on qualifying topics. After this exceptional experience, it will be easier for you to decide.

WHO CAN APPLY

Students enrolled in the last year of master programmes of European universities participating in the Erasmus + Programme (owners of an ECHE).

WHAT THE POSITION OFFERS

Besides an academic training programme funded with their Erasmus + Traineeship grant, selected GATE Trainees will receive additional funds by SNS as a reimbursement of their accommodation costs in Pisa, and will be granted free meals at the SNS canteen.

Moreover, the SNS will guarantee GATE Trainees free access to its Libraries and its research and academic sites.

HOW TO APPLY

Applications for admission to the selection process must be registered online by 23:59 CET of April, 3rd, 2018.

The online procedure is available [here](#)

Please, check the full [call](#) before you submit your application!
